ADVANTAGES TO PARTNERING

NEW PATIENTS
With over 3.7 million members, providers partner with a payor who delivers significant patient volume. We value your collaboration with our quality dental care delivery team.

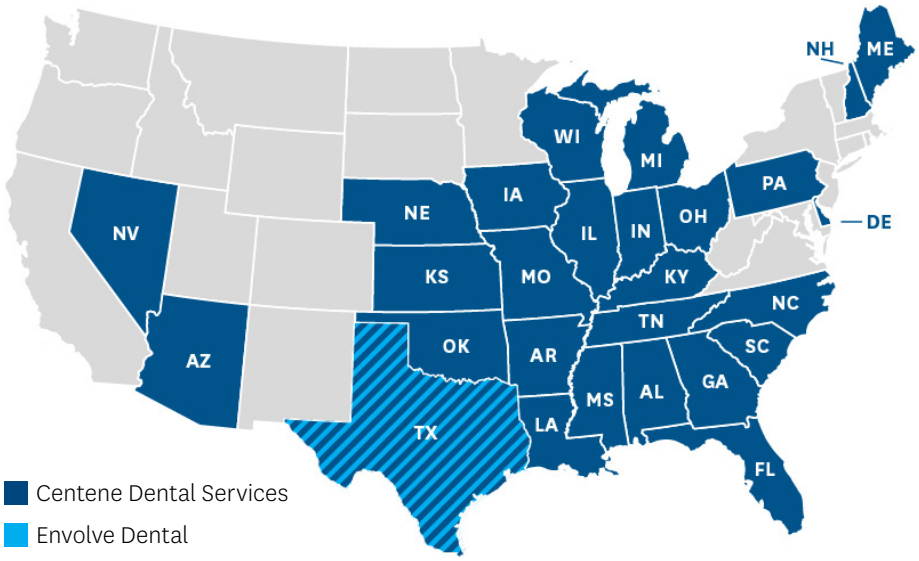

STREAMLINED PROVIDER WEB PORTAL
Verify eligibility, check patient history, file claims, submit authorizations, and check status on authorizations and claims.

DENTAL ASSOCIATION PARTNERSHIPS
With a national panel of medical directors covering our footprint, we maintain relationships with local dental associations to communicate changes and understand the needs of your market.

DECREASED ADMINISTRATIVE BURDEN
We perform the same tasks as a full-service health management organization (HMO). This includes credentialing, claims adjudication, benefit configuration, utilization management and grievances and appeals.

SELECTIVE PARTICIPATION
Participation is never mandated. Providers can choose which health plans and products to contract for.
